:RESPONSE TO REQUEST
FOR REFUND

This is in response to your letter submitted March 27, 2000, wherein you requested a refund of 1/2 of the filing fee paid in the above-identified application.

- (X) Small entity status fee not refundable. The time has expired for refund of this fee. A refund based on establishment of small entity status may only be obtained if a verified statement under 37 CFR 1.27 and a request for refund of the excess amount are filed within two months of timely payment of the full fee (37 CFR 1.28).
- () Application or petition fee not refundable. Money paid by actual mistake or in excess, such as payment not required by law, will be refunded; a mere change of purpose after payment of money, as when a party desires to withdraw an application, an appeal or a request for oral hearing does not entitle the party to refund (37CFR 1.26). If any application is filed without the specification or drawing and the omission is not corrected with the period set, the application will be returned or otherwise disposed of. The fee, if submitted should include the \$130.00 handling fee (37CFR 1.53).
- (X) Other: No refund is due. The authorization to charged to deposit account was filed on September 17, 1999. The request for refund and verification statement was filed on March 27, 2000.
